

Van Merwijks Music Machine

'Caribbean Postcard'

Lucas van Merwijk is internationally recognized for his drumming with major bands such as Drums United and the Cubop City Big Band.

Caribbean Postcard is the latest edition of his Music Machine and here you can hear van Merwijk again in a small line-up.

Together with Thelonious Monk Award winner Ilja Reijngoud on trombone, pianist Norman Peplow and Venezuelan top bassist Samuel Ruiz on bass, they give a quirky twist to the rich Caribbean repertoire.

'Lucas van Merwijk is one of the great drummers of our time. He lays down so much good stuff that even the eyes of a trained drummer can't catch it all'
